TRUSTEES REPORT

FOR THE YEAR ENDED 30 JUNE 2016

The trustees present their report and accounts for the Year ended 30 June 2016.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

Structure, governance and management
The company was incorporated on the 9th May 2001, is limited by guarantee and is governed by its Memorandum and Articles of Association. It is registered as a charity with the charity commission.

The trustees, who are also the directors for the purpose of company law, and who served during the Year or who were appointed after the year end were:

Tara Getty
Mark Getty
David Haggie
Christopher Hyman
Robin James (Deceased 17 May 2016)
Kurt Lambert
Christopher Thomsen
William Cadogan (Appointed 8 September 2015)
Jessica Getty (Appointed 19 October 2016)
Judy James (Appointed 22 June 2016)

Appointment of trustees
No person may be appointed as a trustee:

- if they are under the age of 18 years; or
- in circumstances such that, had they already been a trustee, they would have been disqualified from acting under the provisions of Article 11.1.

The trustees may appoint a person who is willing to act to be a trustee either to fill a vacancy or as an additional trustee. Any new trustees would be inducted and trained which would include attending a meeting prior to becoming a new trustee.

The trustees have complied with their duty to have due regards to the guidance on public benefit published by the commission in exercising their powers or duties.

Organisational structure
The trustees are responsible for the strategic direction and policy of the charitable company.

The charitable company is operated out of the offices provided by the Getty family's private office situated in London.

The charitable company has no employees but benefits from the staff at the aforementioned office, where accountancy, cash management and administrative matters are delegated by the trustees for an annual fee.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the commission in deciding what activities the charitable company should undertake.
Related parties
The Africa Foundation had related party transactions with the following parties in the year: Africa Foundation South Africa and Sutton Place Limited. During the year, Robin James was trustee for both The Africa Foundation South Africa and The Africa Foundation, whilst Mark Getty was on the board of both Sutton Place Limited and The Africa Foundation. Full details of the transactions are detailed in note 15.

Risk management
The trustees believe that by monitoring reserve levels and ensuring that controls exist over key financial systems, and by examining from time to time the operational risks faced by the charity and its grant giving, that they have established effective systems to mitigate the major risks to which the charity is exposed.

The charity trustees have created a grants approval committee whose responsibility it is to review each grant application on an individual basis. The grants approval committee have a formal checklist which covers the due diligence which is required to be provided by each charity applying for funding. The grants approval committee have the power to select charities for funding and to approve individual grants.

The trustees seek to formalise continuing relationships they have with a written Memorandum of Understanding which must be agreed by both parties. This sets out the terms and responsibilities of both charities and sets out the level of reporting which is required by The Africa Foundation. This mitigates the risk of the grants not being spent as was detailed in the original grant applications.

The trustees regularly review the cashflow of the company to ensure it can meet its future liabilities.
Objectives and activities
The objects of the charity are:

**General**
Relieve persons located in Africa (whether permanently or temporarily), who are in conditions of need, hardship or distress by reason of their social and economic circumstances.

**Health**
Relieve patients in Africa receiving medical treatment, irrespective of whether on an admission or outpatient basis, or on their discharge who are sick, convalescent, disabled, handicapped, infirm or in need of financial assistance.

**Education**
Further the education (including social and physical training) of any person attending any school, university or other educational establishment in Africa.

To provide financial assistance, outfits, clothing, tools, instruments or books to any person on their leaving school, university or other educational establishment in Africa to prepare them for or assist their entry into a trade profession or service.

**Unemployed**
Promote the education of persons in Africa who through their social and economic circumstances are in need and unable to gain employment and in particular to promote or support schemes where such persons may receive training while in employment.

**Principal activity**
The principal activity of The Africa Foundation is to receive donations and raise funds in the UK to assist rural community empowerment and upliftment in South and East Africa. These projects were implemented by Africa Foundation based in Johannesburg, South Africa and the Angus Gillis Foundation based in Grahamstown, South Africa.
Achievements and performance
Charitable activities
From every £1 donated, The Africa Foundation spends at least 90p towards education, healthcare, water provision and income generating initiatives in rural communities in Southern and East Africa. During the year ended 30th June 2016, The Africa Foundation supported several projects in South and East Africa. Funds are allocated to specific projects e.g. Constructing a Kitchen for a Primary School, or supplying School desks for a Primary and a High School. On the other hand, the provision of CLEF Bursaries is an annual commitment. Sustainability is most important in all our dealings and we ensure that projects are well monitored and followed through to their completion.

The following projects were undertaken during the year:

**CLEF Bursaries**
Students in the programme come from communities in KwaZulu-Natal and Kruger National Park areas, as well as from communities in Tanzania and Kenya. The bursaries for tertiary education provide young leaders with the skills to secure a lifetime of employment which they can share with their communities.

**South Africa**
- Renovation of OVC Centre at Hlokomelang and construction of a kitchen.
- Operational/Administration support
- Installing a borehole at Nkomo School
- Constructing a kitchen at Nibela Primary School
- Constructing a kitchen at Ntseveni Khoza Preschool

**East Africa**
- Teacher training for 1 teacher from the Lukungu OVC Centre
- School Desks for Matemwe Primary and High Schools.
- Completion of Mayoka Clinic Nurses' Accommodation
- Ololosokwan Primary School Kitchen Refurbishment

**Conservation**
- Rhinos Without Borders. Rhino relocation programme, moving rhino from South Africa to safe havens in Botswana.

The above school projects in South Africa & East Africa meet the educational objectives of the charity.

**Financial performance**
The company incurred excess expenditure over income in the year of £33,298 (2015: income over expenditure £60,036) for the year after charitable expenditure of £142,591 (2015: £116,610). Accumulated excess income over expenditure carried forward was £95,742 (2015: £129,040).
Financial review
Reserves policy
The directors have established a reserves policy whereby unrestricted funds which are not committed, are always maintained at a level sufficient to meet three months of the charity's running costs. As at 30 June 2016, the amount of uncommitted unrestricted funds was £83,950. The running costs of the charity are currently approximately £425 per month.

Principal funding sources
The largest personal donation was £20,000. The company also received further personal donations, trust and charity donations, direct debits and funding from the JustGiving Fundraising Pages.

Going Concern
The Trustees consider the charitable company to be a going concern for at least the next 12 months. The Trustees are carefully managing the overhead costs of the charitable company in light of adverse economic conditions and agree to support the charitable company through donations for the foreseeable future. On this basis, the Trustees continue to adopt the going concern basis of accounting.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the Year.

Plans for the future
The charity relies on regular direct debit donations and we have also been fortunate to receive generous personal and corporate donations which we will continue to solicit. Two charity events are planned for January 2017, and other sources of funding include various JustGiving Fundraising Pages for Cycle Rides, Marathons and Adventure fundraising events.
Statement of trustees responsibilities
The trustees are responsible for preparing the Trustees Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that Year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees report was approved by the Board of Trustees.

William Cadogan
Trusted
Dated: 25/03/17
I report on the accounts of the charity for the Year ended 30 June 2016, which are set out on pages 8 to 14.

Respective responsibilities of trustees and examiner
The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this Year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:
(i) examine the accounts under section 145 of the 2011 Act;
(ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
(iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report
My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement
Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has not been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:
(a) which gives me reasonable cause to believe that in any material respect the requirements:
   (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
   (ii) to prepare accounts which accord with the accounting records, and comply with the accounting requirements of the 2011 Act;
   have not been met or
(b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2016

1 Accounting policies

Charity information
The Africa Foundation is a company incorporated on the 9th May 2001, is limited by guarantee and is governed by its Memorandum and Articles of Association. It is registered as a charity with the charity commission. The registered office is 26 Curzon Street, London, W1J 7TQ.

1.1 Accounting convention
These accounts have been prepared in accordance with FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland” (“FRS 102”), “Accounting and Reporting by Charities” the Statement of Recommended Practice for charities applying FRS 102, the Charities Act 2011 and UK Generally Accepted Accounting Practice as it applies from 1 January 2015. The charity is a Public Benefit Entity as defined by FRS 102. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Charitable funds
Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Further details of Restricted funds are disclosed in note 11.

1.3 Incoming resources
Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.4 Resources expended
Expenditure is recognised when a liability is incurred.

Costs of generating voluntary income are commission costs incurred in attracting voluntary income.

Charitable expenditure comprises those resources expended by the charity in undertaking its work to meet its charitable objectives as disclosed in the Trustee’s Report.

Governance costs are those costs which relate to the general running of the charity.
Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

1.5 Foreign exchange
Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in net income/expenditure for the period.

1.6 Liabilities
Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
