THE SHANLEY CHARITABLE TRUST
FOR THE YEAR ENDED 30 APRIL 2018

REPORT OF THE TRUSTEES

The Trustees present their report together with the financial statements of the charity for the year ended 30 April 2018.

Legal and administrative information set out on page 1 forms part of this report. The financial statements comply with the Charities Act 2011, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), Update Bulletin 1.

Structure, Governance and Management
The charity is constituted under a trust deed dated 18 November 2003.

New Trustees are recommended by existing Trustees. Induction training is provided for all new Trustees, where appropriate, and all Trustees are encouraged to attend courses and conferences that would benefit them as Trustees.

The Trustees have full investment powers and authority for the charity and investment decisions have been made in accordance with the Trustees wishes during the year. The Trustees manage the day-to-day operations of the charity.

The charity owns 100% of the share capital of M J Shanley Limited. All Trustees are directors of M J Shanley Limited.

The charity owned 41% of the share capital of Bridgefarm Company Limited but has no involvement in the management of the company. This Company is in liquidation and the Trust has received a distribution of £1,168,188 to the date of these accounts on account.

A summary of related party transactions is set out in note 9 to the financial statements.

Risk Policy
The Trustees have taken steps to identify the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Objectives and Activities
The objectives of the charity are the relief of poverty and hardship. The principal activity was the management of the assets of the charity to provide optimum funding to achieve the above objectives.

The Trustees confirm that they have referred to the guidance contained in the Charity Commissions general guidance on public benefit when reviewing the charity’s aim, objectives and future developments.

Achievements and Performance
The trust assets generated investment income of £128,380 and an increase in the value of quoted investments of £501,543 after including realised gains of £204,703. Additionally, there was a distribution of £175,446 from the liquidation of Bridgefarm Company Limited

Grant making policy
The Trustees make grants to recognised international charities that operate for the relief of poverty. These are made as and when considered appropriate and when funds permit. The Trust made net grants of £100,000 to other charities in pursuit of its objectives.
Financial review
The income used for the period are set out on page 7. The increase in funds for the year amounted to £685,464. It is proposed that this is added to reserves.

Reserves policy
The accumulated funds at 30 April 2018 were £5,491,649 all of which related to unrestricted funds. It is the policy of the Charity to maintain unrestricted funds, which are free reserves of the charity. This provides sufficient funds to fund future contributions to support trust objectives and to cover management, administration and support costs.

The Trustees' policy is to invest the resources of the trust in bank accounts, Treasury Deposits and in Quoted Investments.

See note 5 for the results of the subsidiary and investment companies.

Plans for future periods
The officers do not anticipate that there will be any fundamental change in the development of the charity's operations during the coming year.

Trustees' Responsibilities in Relation to the Financial Statements
The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors
The auditors, Mercer & Hole, will be proposed for re-appointment.

By order of the trustees:

[Signature]

Trustee

R F Lander

Date 21st January 2019
Opinion

We have audited the financial statements of The Shanley Charitable Trust (the 'charity') for the year ended 31st April 2018 which comprise the statement of financial activities, balance sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31st April 2018, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC’s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees’ use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity’s ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.
Other information (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees’ report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees’ responsibilities statement set out on page 3, the trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor’s responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council’s website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor’s report.
Use of our report

This report is made solely to the charity’s trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity’s trustees those matters we are required to state to them in an auditor’s report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity’s trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Approved by the Board of Trustees and signed on its behalf by

R F Lander

Date 21st January 2019

The notes on pages 9 to 12 form part of these financial statements
NOTES TO THE FINANCIAL STATEMENTS

1. Accounting Policies

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), Update Bulletin 1.

The Shanley Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements have been prepared to give a 'true and fair' view and have therefore necessarily departed from the extant Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Statement of Recommended Practice: Accounting and Reporting by Charities effective from 1 April 2005, which has since been withdrawn.

The Trustees have taken advantage of the exemption in FRS102 Section 1A, Update Bulletin 1, from including a cashflow statement in the financial statements on the grounds that the organisation is small.

Income

Donations and legacies
Voluntary income from donations for unrestricted purposes is included in income when this is receivable.

Investment income
Investment income is included when receivable by the charity.

Expenditure
Expenditure is included in the Statement of Financial Activities on an accruals basis, inclusive of any VAT, which cannot be recovered.

Fixed asset investments
Listed investments are stated at market value as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Investments in subsidiary and associated undertakings are stated at cost.

Basis of Consolidation
The financial statements do not include the profit and loss account and balance sheet of the subsidiary undertakings due to the group meeting the exemption criteria for group accounts.

Fund Accounting
Funds held by the charity are unrestricted funds held for the furtherance of the objectives of the charity.
Creditors and Provisions
Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial Instruments
The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value, with the exception of listed investments.

Going concern
At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Holdings of more than 20%
The charity owns 100% of the share capital of M J Shanley Limited. The principal activity of the company is that of land dealer and land owner. This company made a loss of £1,165 after taxation for the year ended 30 April 2018 (2017: profit of £50,990). Capital and reserves as at 30 April 2018 were £91,286 (2017: £92,451).

The charity owns 41% of the share capital of Bridgefarm Company Limited, a company incorporated in Ireland. The principal activity of the company is the commercial exploitation of woodlands. This company made a profit of €22,314 after taxation in the year ended 31st October 2015 and the Capital and Reserves at 31st October 2015 were €2,148,048. The company has now ceased to trade and is in the process of being wound up. A liquidation distribution of £175,446 was received in the year.

9. Related parties

During a prior year, the trust made a loan of £9,078 to MJ Shanley Limited. The loan was still outstanding at the year end. MJ Shanley Limited is controlled by the Trustees of the Trust.

R F Lander received £2,000 (2017 - £1,800) for work done for the charity in his professional capacity as an accountant. At the year end a balance of £nil (2017: £nil) was owed by the charity.

10. Staff and Trustees' costs

Trustees' remuneration was nil during the financial year. No re-imbursement of expenditure was paid to the trustees. There were no employees during the year.
11. Charitable Activities
