Trustees’ Report

Structure, governance and management
The Trustees, who are also the directors for the purposes of Company Law, submit their report and the financial statements of England and Wales Cricket Trust (“The Trust” or “EWCT”) for the year ended 31 January 2017.

The Trustees comply with the provisions of the Statement of Recommended Practice (SORP) ‘Accounting and Reporting by Charities’ issued in 2015 in preparing the annual report and financial statements of this charity.

The board of Trustees have overall responsibility for the direction, management and control of the England and Wales Cricket Trust.

Objectives and activities
The objectives of the Trust are, for the benefit of the public, to:

(i) promote community participation in healthy recreation by providing facilities for playing cricket; and

(ii) promote all purposes as recognised as charitable under the laws of England and Wales through an association with cricket.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission’s general guidance on public benefit when reviewing the Trust’s aims and objectives and in planning future activities and setting the grant making policy for the year.

Achievements and performance
The key elements of the charity’s strategy are:

(i) to continue to deliver revenue funding to the recreational game to facilitate the existing community participation (particularly amongst boys and girls age group cricket) and enable increased participation amongst all levels of the amateur game;

(ii) to administer an interest free loan scheme for amateur cricket clubs with the aim of increasing the loan pool to £5m in the short term and £10m in the medium term. These loans are specifically for facilities at amateur cricket clubs to support their cricket programmes;

(iii) to seek to provide facility grants both for cricket machinery and wider facility enhancements to support the amateur game; and

(iv) to support other cricketing charities whose objects are aligned with that of the Trust.

In 2014/15, as in 2011/12, the Trust made multi-year advance donations to both Chance to Shine and the Lord’s Taverners of £3,750,000 and £800,000 respectively. These donations cover the financial years 2015/16 to 2017/18 and 2014/15 to 2017/18, respectively.

The activities of the Trust are funded using a combination of restricted funds from Sport England, Waitrose, County Board contributions (to their own Small Grants Scheme funding allocation) and the Sports Council for Wales, and the Trust’s unrestricted funds. The interest free loan scheme is funded wholly from the Trust’s unrestricted funds.

Incorporation
England and Wales Cricket Trust, a company limited by guarantee (No. 5483977), was incorporated on 17 June 2005 by a Memorandum and Articles of Association, and is a registered charity (No. 1112540). The registered office of the company and Trust is Lord’s Cricket Ground, London, NW8 8QZ.

The board is made up of seven Trustees, three of whom are independent of the England and Wales Cricket Board Limited (“ECB”). The Trustees of the England and Wales Cricket Trust are appointed by the ECB for their specific expertise in areas relevant to the charity. The board commits to reviewing the individuals on the board annually at a Trustees’ meeting and recommendations are then given to the ECB.

The Trustees meet at least once a year and on any other occasions as judged necessary in order to review progress and determine matters of strategy and policy whilst leaving the day-to-day matters to the management team or to specific individuals. The management team consists of individuals with specific knowledge of Club and Facility Management and Development, Cricket Board Management and Development and Finance.

Risk management and internal control
The Trustees have overall responsibility for ensuring that the Trust operates an appropriate system of controls, financial and otherwise, to provide reasonable assurance that the Trust is operating efficiently and effectively, and that the Trust complies with the relevant laws and regulations.

Powers
To further its objectives, the Trust may:

(i) provide grants and loans for capital improvements to grounds and facilities of community amateur sports clubs, County Boards, charitable sports clubs and other bodies; and

(ii) provide and assist in the provision of money, materials or other help.

Grant policy
Grants payable are charged in the year when the offer is conveyed to the recipient except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions are fulfilled. Grants are approved and monitored by the relevant members of the management team.

Social Investment policy
The Trust administers an interest free loan scheme, which aims to finance capital projects to help create a sustainable future for cricket. The scheme can be partnered with the EWCT Grant Aid Programme, the EWCT Small Grant Scheme and other external funding programmes.
England and Wales Cricket Trust
(A company limited by guarantee)
Annual Report and Financial Statements for the year ended 31 January 2017

Trustees’ Report (continued)

The EWCT Interest Free Loan scheme supports projects that could not otherwise be completed as some clubs cannot obtain commercial finance and the availability of grant funding has decreased over the past few years. The loan scheme also allows evidentially sustainable projects to be financed years ahead of schedule when compared to the process of fundraising or building reserves. This in turn often allows clubs to increase revenues due to enhanced facilities, which allows; repayment of the loan, growth in membership and enhanced expenditure on community cricket activities.

The Trust requires clubs to have personal guarantors, who are jointly and severally liable for repayment of the loan in the event of a default, or occasionally (for large value loans) it takes out a legal charge over the club’s facilities.

Employees
The Trust does not employ any members of staff.

Reserves policy
The Trust plans to maintain reserves so that at all times during the year, as a minimum, reserves are at least:

(i) the level of interest free loans to be made to amateur cricket clubs; plus
(ii) the level of expenditure, both charitable spend and overheads, expected in the next 12 months.

To date, donations have tended to be received towards the end of the financial year while the majority of expenditure has been at the beginning or in the middle of the financial year. This, and the above policy, means that at year end we seek to have reserves of at least two times annual expenditure plus the planned loan pool. In addition, we take into account that the major donor has a highly cyclical business, with annual profits varying significantly year-on-year. This means that on occasion, reserves will be far higher than two times annual expenditure plus the loan pool.

Investment policy
It is the policy of the Trust to place its investments in cash deposits which provide appropriate liquidity, and which are deemed to be of low risk as defined by the agreed Treasury Management policy.

Going concern
The Trustees have a reasonable expectation that the Trust has adequate resources to continue in existence for the foreseeable future. For this reason, the Trustees continue to adopt the going concern basis in preparing the accounts, as disclosed in the accounting policies.

Strategic report
Financial review and performance
During the period, the Trust received income from charitable activities amounting to £2,595,437 (2016: £4,652,005). The Trust made revenue grants to County Cricket Boards amounting to £6,763,330 (2016: £7,565,977).

Other charitable spend was £3,745,758 (2016: £2,260,778).

Investment returns in 2016/17 were £407,500 (2016: £460,078).

Revenue funding from the Trust and ringfenced Sport England money was delivered to County Cricket Boards in accordance with the MoU.

Financial commentary
The charity made a loss of £7,535,993 for the period, compared to a loss of £4,840,061 in the previous year. This was due to the cyclical nature of revenue streams received from Sport England.

Trustees’ Report (continued)

Donations were received towards the Trust’s charitable activities from Sport England (revenue funding for County Cricket Boards), Waitrose, County Cricket Boards and the Sports Council for Wales (capital programmes). In addition, the Trust generated £407,500 from its investments. This will make an emergency fund available to quickly help clubs in need of urgent financial assistance.

The Trust’s expenditure remains broadly stable, year-on-year. In 2017, £10,509,088 was spent on charitable activities, compared to £9,888,679 in the previous period.

Analysis of the Trust’s performance against objectives
As at 31 January 2017, interest free loans to amateur cricket clubs since the scheme began totalled £6,447,496 (2016: £5,616,291). During the period, the Trust paid out £831,205 in 58 new loans (decreased from 76 loans totalling £928,180 in 2016), and loan offers made to clubs but not yet advanced totalled £527,829 (2016: £243,831). Total facility grants were made of £3,640,758 (including partner funding).

Funding

In 2013, the Trust entered into a four-year Memorandum of Understanding (MoU) with the England and Wales Cricket Board Limited (ECB) and the Recreational Assembly (the 39 County Cricket Boards (CCBs) plus the Minor Counties Cricket Association and ECB Accredited Premier Leagues) for the period from 1 October 2013 to 30 September 2017. The MoU sets out the framework for the funding of recreational cricket in England and Wales in the period; and in the 2013 Business Review the principles and funding amounts for the 2013-17 period were set out. The Trust's financial year spans eight months of year 3 (February to September) and four months of year 4 (October to January). Highlights of the achievements from the Trust and Sport England funding in the period include:

General EWCT funding (£3,245,779 to 39 county cricket boards):

- Ongoing delivery of agreed improvement action plans focusing development towards High Performing CCBs
- Completion of an extensive insight project focusing supporting CCB planning and delivery

Player Retention theme funded by Sport England (£2,099,998 to 38 county cricket boards):

- The Get the Game On Campaign entered its second year encouraging leagues to provide more flexible playing formats and to address the increase in conceded and cancelled games
- 3% more games were played in leagues adopting the ‘Get the Game On’ philosophy
- Evidence suggests a positive shift towards ‘starting and abandoning’ games rather than cancelling games
- Over 90 leagues made changes for the start of the 2016 season, the most common being changes to start times and number of overs in a game
- Insight from over 100,000 players has been used to create the ‘players league’ (if players could design a cricket league this is the format of cricket they would want to play) 140WL30 (1pm start, 40 overs, win/lose, 30min travel).
- ECB distributed over 100 free ‘wet weather’ kits to clubs to help mitigate against poor weather
- Michael Vaughan launched the Get the Game On Captains’ Club, the ever dedicated resource for grassroots captains.
- Guidance for leagues, clubs, captains, players and officials about how issues of Ground, Weather and light are treated by umpires was developed and widely communicated

Trustees’ Report (continued)

Disability theme funded by Sport England (£480,097 to 38 county cricket boards):

- Year 3 growth - delivery to over 28,000 participants (17% increase)
- Year 3 growth - delivery of programmes in 2,100 environments (School, Community programme and/or Cricket Club) (106% increase)
- Year 3 growth - programmes delivered over 163,000 participant throughput (21% increase)

Funding (continued)

South Asian Communities theme funded by Sport England (£265,731 to seven county cricket boards across the five key cities of London, Birmingham, Leicester, Leeds and Bradford, plus Chance to Shine in London). Examples of the local projects delivered include:

- New playing facilities’ – both capital and operational investment was made across all five cities allowing current participation levels to be maintained.
- Significant increase in the number of ECB Coach Support Workers, Level 2 Coaches and Level 1 umpires was achieved, allowing greater support to participants.
- Introduced new formats of the game in all five cities, eg softball cricket.
- Entered new community networks via working with faith schools and access to South Asian media channels (newspaper & television).
- Allowing access to clubs playing recreational finals at Test Match venues for some of the cities was a significant step towards bringing the community closer to the County Cricket Club’s.

The principal donor to the Trust is ECB, and ECB has determined unringfenced funding to be paid to CCBs for general running costs, County Age Group funding and Coaching Subsidies.

In turn, the Trust is a major donor to the Chance to Shine and Lord’s Taverners charities.

Risk management and internal control

During the year a review of the major strategic, business and operational risks that the Trust faces was carried out. As part of this review, systems and procedures were established both to mitigate those risks identified and to minimise any potential impact on the Trust should those risks actually materialise.

The Trust has considered credit risk and believes that the exposure to this risk is equal to the total value of interest free loans outstanding. The controls put in place to reduce this risk are credit checks via detailed financial reviews, agreement of payment terms at the outset of the loan, club appointment of loan guarantors where applicable and close contact with clubs throughout the terms of the loan. A general bad debt provision for 1% of the loan value is made, plus any specific loans where payments are in arrears and subject to legal action.

Other Trust-specific risks have been identified as part of the group’s formal risk analysis exercise:

- The impact on community cricket of potential reductions in public sector funding. The risk has been mitigated for the 2013-17 period by an allocation of funding by the Trust to be used if government income is cut.
- Flood relief and impact of 2015/16’s wet winter. The impact has been partially mitigated by interest earned from the Trust’s investments being allocated to the emergency fund, as in previous years. This self-funded scheme is not dependent on external donors, though it is impacted by levels of reserves held and prevailing interest rates. An additional £500,000 was allocated from the EWCT Grant Aid Programme during the year.

(ii) to continue to support the County Boards in line with revenue funding agreements including Sport England requirements;

(iii) to continue to support other cricketing charities in line with the Trust’s own objectives; and

(iv) to provide support to amateur cricket clubs through special projects approved by the Trustees such as an emergency relief fund, a flood relief fund and a sustainable energy fund.

These financial statements of England and Wales Cricket Trust, company registration number 5483977, were approved on 28 March 2017.

Colin J Graves  
Director
England and Wales Cricket Trust  
(A company limited by guarantee) 
Notes to the financial statements  
Year ended 31 January 2017

1. Accounting policies

Basis of preparation

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards, the applicable requirements of the Statement of Recommended Practice (SORP) ‘Accounting and Reporting’ by Charities, FRS102, the Trust Deed, and the Companies Act.

The particular accounting policies adopted are described below, and have been applied consistently throughout the year and the preceding year.

Per FRS 102, a public benefit entity (PBE) is an entity whose primary purpose is for public and social benefit and not to provide a financial return to its shareholders. The Trustees have assessed that the Company meets this definition, thus have accounted for any interest free loans as concessionary loans under section PBE34 of FRS 102 for the purposes of these financial statements.

England and Wales Cricket Trust (the “Company”) is a company limited by guarantee and incorporated and domiciled in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (“FRS 102”) as issued in August 2014. The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £.

The Company’s ultimate controlling party, England and Wales Cricket Board Limited, includes the Company in its consolidated financial statements. The consolidated financial statements of England and Wales Cricket Board Limited are prepared in accordance with Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (“FRS 102”) and are available to the public and may be obtained from Lord’s Cricket Ground, London, NW8 8QZ. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Cash flow statement;
- Transactions with Key Management Personnel;
- Related party transactions entered into between two or more members of a group (for wholly-owned subsidiaries).

Due to the current economic conditions there are inherent future uncertainties that may impact the business. As a result of this the directors have made enquiries regarding ECB support and future government funding and have a reasonable expectation that the Trust has adequate resources to continue in existence for the foreseeable future. For this reason the directors continue to adopt the going concern basis in preparing the accounts.

Incoming resources

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

All incoming resources are included in the Statement of Financial Activities (‘SOFA’) when the Trust is legally entitled to the income, is reasonably certain of receipt and the amount can be measured with sufficient reliability.

- Donations and legacies are recognised in the SOFA in the period in which they are received and paid.

1. Accounting policies (continued)  
Incoming resources (continued)  
- Income from charitable activities  
  o Government revenue grants from Sport England are recognised when the funding has been  
    a) received (twice a year) and b) distributed to County Cricket Boards (three times a year).  
    When funds are received in advance of the Trust's right to entitlement, the income is  
    deferred and included within creditors. If entitlement occurs before funds are received, the  
    income would be accrued.  
  o Government capital grants from Sports Council for Wales are recognised upon receipt of the  
    donation and offset against EWCT Grant Aid Programme projects in Wales.  
  o Capital grant funding from Waitrose is recognised upon receipt of the donation.  
  o Capital grant funding from individual County Cricket Boards is recognised upon an invoice  
    being raised following notification of intention of funding.  
- Investment income; interest on funds held on deposit is included when receivable, and/or the amount  
  can be measured reliably by the charity; this is normally upon notification of the interest paid or  
  payable by the Bank and is requested at year-end.  

Grants payable are made to third parties in the furtherance of the charitable objects of the Trust; either revenue  
grants (County Cricket Boards and cricketing charities) or capital grants (cricket clubs and other appropriate  
applicants, e.g local authorities).

Revenue grants  
The Trust’s intention to pay a certain level of grants to County Cricket Boards (CCBs) and cricketing charities  
was set out in its 2013-17 Memorandum of Understanding (MoU) agreement, and a schedule of payments was  
sent out to each CCB at the start of the period. Payments are dependent on both the Trust receiving restricted  
donations and CCBs fulfilling certain criteria. The CCBs are assessed every four months against those criteria,  
before payment is released.

Capital grants  
- EGAP and SGS grants are paid to applicants from a set budget, agreed in the MoU and allocated by  
  region and strategy. The individual grants are recognised once an offer letter has been made for the  
  club to sign and return.  
- Emergency Fund grants are paid as required from the Trust’s prior year investment income. The  
  grants are recognised once an offer letter has been made for the club to sign and return.

Allocation of support and governance costs  
Support costs have been allocated between governance costs and other support costs. Governance costs  
comprise all costs involving the public accountability of the charity and its compliance with regulation and  
good practice. These costs include costs related to statutory audit and legal fees together with an  
apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on the  
number of individual grant awards made in recognition that the administrative costs of awarding, monitoring  
and assessing loans and different categories of grants are broadly equivalent. The allocation of support and  
governance costs is analysed in note 4.

Concessionary loans  
England and Wales Cricket Trust makes interest free loans to third parties which are repayable in line with  
agreed upon payment schedules. In line with FRS102 PBE34, Concessionary Loans are initially measured at  
the amount received or paid. In subsequent years, the carrying amount of concessionary loans in the financial  
statements is adjusted to reflect any accrued interest payable or receivable. To the extent that a loan that has  
been made is irrecoverable, an impairment loss is be recognised in the statement of financial activities.

1. Accounting policies (continued)
   Accounting convention
   These accounts are prepared under the historical cost convention.
   Company status
   The Trust is a Company limited by guarantee.
   The Member of the Trust (England and Wales Cricket Board) undertakes to contribute a sum not exceeding £1 to the assets of the Trust if it is wound up during its membership or within one year afterwards.
   Resources expended
   All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of resources.
   Grants are charged to the statement of financial activities when a constructive obligation exists notwithstanding that they may be paid in future accounting periods.
   Governance costs are the costs associated with the governance arrangements of the Trust which relate to the general running of the Trust as opposed to those costs associated with fundraising or charitable activity. Included within this category are costs associated with the strategic as opposed to day-to-day management of the Trust’s activities. Charitable activities include costs of grants.
   Funds
   Unrestricted funds are funds that are available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust and which have not been designated for other purposes. Restricted funds relate to funds received from donors for specified purposes.
   Tax
   England and Wales Cricket Trust is a registered charity and, as such, is exempt from taxation on its income to the extent that the income is applied to its charitable purposes.
   Investments
   Investments are held in the form of cash deposits and are determined as current or non-current on the basis of whether they are planned to be reinvested over the next 12 months. Deposits with an intended investment term of longer than one year are classified as non-current investments.

Revenue grants to the 39 County Cricket Boards contribute to their running costs, plus delivery of local cricket (including competitions) for all ages and abilities.

Grants are made to specialised institutions to assist them in delivering their cricket programmes. The major beneficiaries received multi-year donations in 2014/15, which covered the 2015/16 financial year. In 2016/17 Chance to Shine received £28,175 (2016: £61,925).

Grants to cricket clubs comprise a major grants scheme for larger-scale facility improvements; an emergency fund for clubs affected by a crisis, for example flooding; and a small grants scheme to purchase equipment for maintenance and upkeep of grounds. A list of grants is available from the England and Wales Cricket Trust.

The Trustees did not receive any emoluments in respect of their services to the Trust during the year or prior year.

One Trustee received reimbursement in relation to out of pocket expenses for travel and subsistence during the period totalling £457 (2016: £130).

Analysis of support and governance costs

The Trust initially identifies the costs of its support functions. It then identifies those costs which relate to the governance function. Having identified its governance costs, the remaining support costs together with the governance costs are apportioned between the four key charitable activities undertaken in the year (Interest Free Loan Scheme, EWCT Grant Aid Programme, the Small Grants Scheme and the emergency fund). Refer to the table below for the basis for apportionment and the analysis of support and governance costs.
