Trustees' responsibilities statement

The trustees (who are also directors of The Graham Kirkham Foundation for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant information of which the charitable company's Independent Examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the Independent Examiner is aware of that information.

Independent Examiner’s Report to the Trustees of The Graham Kirkham Foundation

I report on the financial statements of the charitable company for the year ended 31 July 2016 which are set out on pages 6 to 11.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purpose of company law) are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 145 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The Charity’s gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England & Wales.

Having satisfied myself that the charitable company is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner’s report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a ‘true and fair view’ and the report is limited to those matters set out in the statement below.

Independent Examiner’s statement

In connection with my examination, no matter has come to my attention:

1) which gives me reasonable cause to believe that in any material respect the requirements
   - to keep accounting records in accordance with section 386 of the Companies Act 2006, and
   - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or

2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

Basis of accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

In preparing these financial statements Update Bulletin 1 to the Charities SORP (FRS102) has been adopted and consequently a Statement of Cash flows has not been prepared.

The Graham Kirkham Foundation meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historic cost or transaction value unless otherwise stated in the relevant accounting policy note.

Status of the company

The charitable company is limited by guarantee and does not have share capital. The liability of members is limited to £1 per member.

Going Concern statement

The financial statements have been prepared on a going concern basis which assumes that the charity will continue to operate. The validity of this assumption is dependent upon the continuance of support from the charity’s key donor. The charity makes grants to organisations only to the extent that funds are available to it and makes no commitment to beneficiaries about future grants. Furthermore overheads and running costs are limited and Trustees always ensure funds are available to meet the charity’s obligations when making decisions on future grants. Based on this understanding the director trustees believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments, which would result from the basis of preparation being inappropriate.

Income

All income is recognised in the Statement of Financial Activities when the charitable company is legally entitled, ultimate receipt is probable and the amount can be quantified with reasonable accuracy.

Income relating to future periods, as a result of donor imposed conditions specifying the time period, has been treated as deferred income.

Donations include recoverable income tax.
Notes to the financial statements (continued)

Gifts in kind are included at valuation and recognised as income when the services to which they relate have been provided. Donated facilities and services provided are included at the value to the charity where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

Expenditure

Grants payable are charged in the financial statements when the trustees have resolved to make a grant and are accrued as liabilities when the awarding of a grant has created a valid expectation of its fulfilment in the mind of a beneficiary.

Governance and support costs, including irrecoverable VAT, are charged to the financial statements as incurred.

Funds

All funds are unrestricted and thus available for expending at the discretion of the Trustees in line with the objects of the Charity.

Taxation

As a registered charity no provision is considered necessary for taxation.

Cash and cash equivalents

Cash and cash equivalents include cash at bank and in hand and short term deposits repayable on or within a three month notice period.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.
