TRUSTEES ANNUAL REPORT
Accounts for Year Ended 31 March 2019

Objectives & Aims

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission guidance on public benefit. Our principal activity is to promote the benefit of the inhabitants of the Magilligan area and its environs of Northern Ireland without distinction of age, gender, disability, sexual orientation, nationality, ethnic identity, political or religious opinion, by associating the statutory authorities, community and voluntary organisations and the inhabitants in a common effort to advance education, and to provide facilities in the interests of social welfare for recreation or other leisure-time occupation, with the object of improving the conditions of life for the said inhabitants. The Association operates a community centre for use by all groups in the community. It provides a range of educational and recreational classes. The Association hold weekly social events for the elderly, parent & toddler group, craft group and a youth club for the young people of the area. It provides opportunities for people to get involved in volunteering and it has annual seasonal events to bring the community together.

Achievements & Performance

There is very little to report this year as our community centre was under construction and due to be opened in June 2019. The committee and volunteers have been working behind the scenes to ensure everything is in place for the opening.

Volunteers

The charity is very reliant on voluntary help. We have 20 core volunteers from the local community who assist with classes, youth club, opening and closing the centre, cleaning, administrative roles and securing funding. Without our volunteers we would be unable to run many of our services. We would like to thank them for their loyal support.

Our charity has no private gain in relation to our activities and programmes as we are a charitable organisation. Additionally there is not harm in terms of our provisions.
