The purpose of our PTFA is to Improve relationships between home and school.

The benefit which flows from this purpose includes funding for additional resources for the school and links built with the local community.

This is demonstrated through having an active PTFA that works in partnership with the school and engages parental support.

The benefit is for children at St. Aidan’s High school.

This is demonstrated through pupils having access to resources, events, activities and links with the local community which are not available through direct school funding.

Charity trustees (PTFA committee members) are usually also parents and or teachers at the school which their children attend and hence gain benefit in the same way as all other beneficiaries. This benefit is incidental and necessary to ensure the benefit is provided to all beneficiaries.

The fundraisers we have held this year Christmas Craft Fair, Jiving Lessons, Street Collection, Recycling collection and Night t the Races.

We purchased Equipment for the Music Department and we are in the process of purchasing a girls Gaelic team football kit which we hope to have by the end of October.

We helped out and provided refreshments at Schools Prize Night. Provided refreshments for the Craft Fair and Night of the Races.

Classes that we have run through the school for the community Jiving Lessons, Computer Classes and Crochet Classes.

We have developed effective relationships between the staff, parents and others associated with the school through the PTFA running events.

St Aidan’s PTFA has due regards for Charity Commission Public benefit requirement.
