ANNUAL REPORT 2016/2017

AGM took place on 27th September 2017 to coincide with the opening of the newly renovated community space in the Parish Centre.

Accounts are presented for the year ending 31st July 2017.
Ardboe Community Projects secured a £10,000 grant from The Big Lottery and along with fundraising events throughout the year were able to renovate this room that now includes a kitchen and disable toilet.
The very successful fundraising events of a Coffee Morning, Texas Holdem and Children’s Discos contributed to us being able to finish the renovation to a high standard with also invaluable support from volunteers who provided many free hours of labour.
Our Carer and Toddler Group now meet each week in this new room and introduced BuggyFit/circuits for the mums. We have also helped get the Youth Service established with a Youth Group from the local area.

Another one of the grants we applied for during this year was from Mid Ulster District Council to fund Arts and drama in the area.
Two groups benefited from this, the Satellite unit for Learning Disabilities, and the Speech and Drama class which are both based here in the Parish centre, and also dancing lessons for the satellite group in Cookstown.

We held our 4th Annual Christmas tree light switch on and craft fair on Sunday 11th December followed by a New Years Eve event.

Our Mission Statement continues to be:

“Ardboe Community Projects Ltd is a self-help group, which provides a centre/base for the community of Ardboe that, is open to all to improve and enhance their quality of life and strengthen the community spirit of the area.”
